Numbers are limited to avoid disruption. Please ensure you book your place on Eventbrite ahead of the open morning.

## See best practice of teaching with the proven, whole-school Numicon approach at our Advocate School Open Morning

Bridgelea Primary School in Manchester has been appointed as a Numicon Advocate School, having demonstrated excellent teaching and learning of the Numicon approach to teaching maths. Bridgelea Primary School is a specialist provision for children with Social, Emotional Mental Health needs and a Primary Pupil Referral Unit. Based on the proven concrete-pictorial-abstract approach. Numicon encourages children to explore maths using structured imagery and apparatus in order to understand and explain mathematical concepts.

At this free open morning, you will be able to observe lessons and ask questions about the school's experiences of using Numicon, including the impact on results, behaviour and pupil engagement.

Come and see how Numicon can transform the teaching and learning of mathematics in your school.
